

Reflecting on challenges of working in partnership and measures to overcome them

1. Which are the most important challenges the MA and partners can identify? What are the measures that can be put in place to overcome them?

Below are listed the most common challenges related to the involvement of the partnership. It is just an indicative list, which Managing Authorities can complement based on their experiences.

CHALLENGES	YES/NO	MEASURES PUT IN PLACE	COMMENTS
Mobilisation of relevant stakeholders, i.e., some stakeholder groups have low levels of interest and/or capacity to participate			
Some stakeholders try to push for particular interests which make it difficult to develop a focused and balanced document/Programme			
The time window for the stakeholder involvement is too short and/or difficult to fit in the process of drafting the document			
Ensuring representativeness through the involved stakeholders			
Adapting to measures to contain further spreading of the COVID-19 virus, including finding online solutions			
Different national/regional priorities make it difficult to develop a focused Programme			
Cultural/administrative differences slow processes			
Broad thematic and geographical coverage poses difficulties for identifying and reaching all relevant stakeholders
